Fox High School,

Published by the Ha-ko Staff of Fox High School

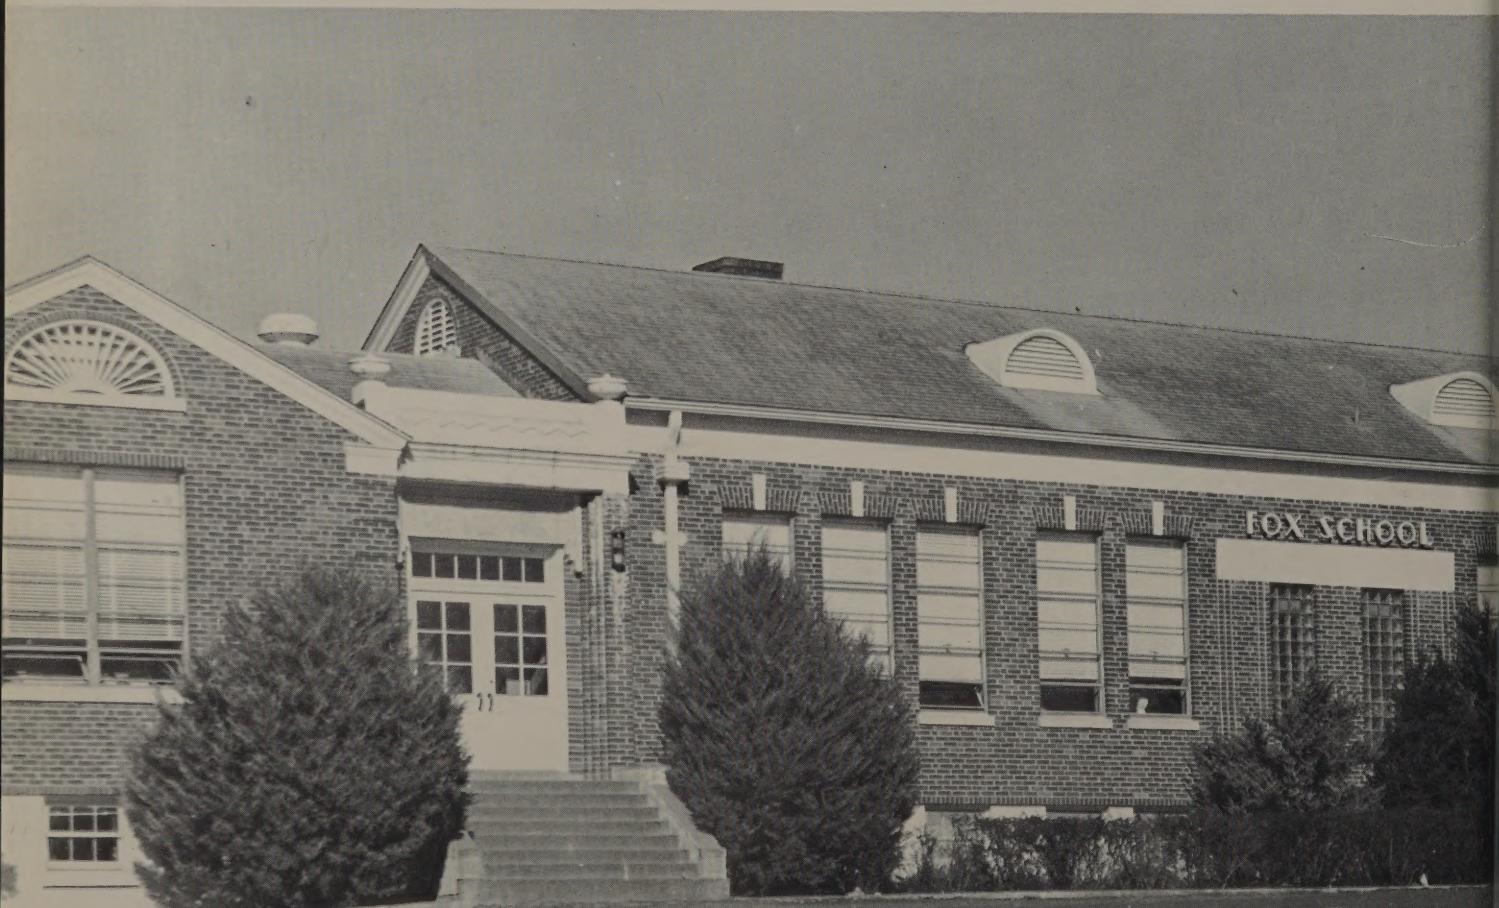

# *Pathways into*

With much pride, we of the Ha-Ko staff present to the student body our 1963 production.

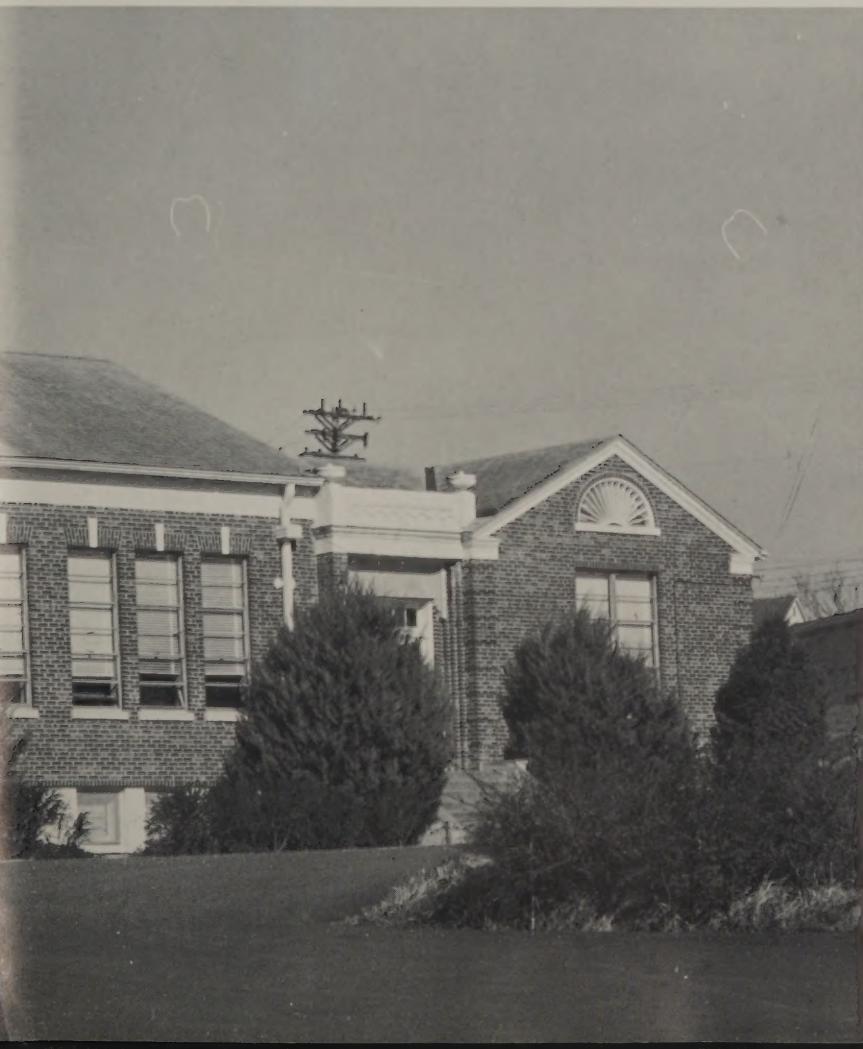

"Pathways" is our theme--pathways of administration and faculty, pathways of seniors, pathways of classes, and pathways of sports and activities. Our pathways at Fox High School also lead to the future.

The aim of our annual is to spread good will among the students and faculty, which ties in with the title of our yearbook, Ha-Ko, and Indian word meaning "inter-tribal good will." Another purpose is to provide memories of significant high school days.

As you explore the pathways of your future, you will look back through the 1963 Ha-Ko and remember the friends, fun, and good times you had in your high school year of 1962-63.

MR. GEORGE BAXTER, for the fifth consecutive year, holds the position of superintendent of Fox School. He is responsible for directing the operation of the school district. His duties range from hiring teachers to making school improvements. He very capably carries out his responsibilities and serves our school well.

THE SCHOOL BOARD is the main link between the community and the schools. Responsible to the taxpayer, their goal is to provide the students of the C-6 district with a complete education. Pictured left to right are: Mr. Martin Mall, Mr. R. K. Carpenter, Mr. Leo Peck, Mr. Richard Morris, Mr. Charles Lawrence, and Mr. A. C. West. Inset: Mr. Charles Lilly.

MR. CHARLES A. NEWMAN, serving his second year as principal, previously taught Business Education at Fox High. He received a B.S., and a B.S. in Education from Southeast Missouri State and a Master's degree in Education at Missouri University. Before coming here he taught at Doe Run High School in the lead belt area of Missouri. He has made many friends at Fox and both students and faculty will remember his efficient method of handling school affairs and his friendly manner.

MRS. ESTELLE HOFFMAN, our school secretary, accomplishes many things in a day's work. Her duties include compiling the attendance records, making announcement sheets, writing receipts, keeping records of report cards, answering telephone calls, and numberless other things. Her friendliness and courtesy are appreciated by all the students at Fox High.

MRS. BEULAH STRITE, our school nurse, makes many contributions to make Fox High a more healthful place in which to learn. Not only does she serve Fox High, but also the Junior High and elementary schools. Her job includes giving eye and ear tests, weighing students and handling other medical needs.

The Monsters' Mash Party  
Our monsters are . . . Shirley DaMeris, Judy Touchette, and Donna Myers!

George, Pam, David, and Joan race down the gym floor during the three-legged race.

Entering the gym through a terrifying spook house haunted by three mad ghouls; Shirley DaMeris, Donna Myers, and Judy Touchette, the 250 students who attended the annual Stalk Stomp began an evening of fun and excitement. They danced, ate, and played games amid corn stalks, pumpkins, and hay.

Prizes were awarded to Billy Brown, who blew a ping-pong ball across the gym floor; the best fast-dancing couple, Linda Taylor and Kenny Tucker; and the best slow-dancing couple, Debbie Willingham and John Nichols. They each received a pop record. Edward Gamache, the winner of the surprise box, was startled to find a can of baby powder as his prize. Winners of the three-legged race were Pam McClellan and George Frenz.

Sponsored by the Ha-Ko staff, the affair helps to finance the yearbook.

## *Spooks, Stalks, Food, and Fun!!*

In between games, dancing was enjoyed by many couples.

Coach O'Connor drilled this year's team hard in after-school practices, developing the players into an outstanding team. His knowledge of football, and the ability to apply it to our team paid off in excellent playing.

The 1963 Warriors were a spirited team, providing a very exciting season for the football fans. Many students who previously lacked interest in the sport came to see the Warriors play.

The record of two wins, two ties, and five losses does not show the fine playing and sportsmanship displayed by the team during the season. Win or lose, both the Varsity and "B" Warriors played excellent football and battled for each game.

Coach Iman began his first year at Fox as line coach for the varsity. He also very capably coached the "B" Warriors, leading them through an excellent season. His teaching has prepared many boys for the varsity next year.

handed Fox its first defeat of the season on Friday, September 28. The Warriors were unable to score as the Tigers ran their score higher and higher.

On October 6, 1962, the Fox Warriors faced the St. Francis Borgia Knights in their third game of the season. On their own hunting grounds, the Warriors were defeated by one point, the final score being 21-20. The game was very close right down to the last play. In the fourth quarter, just before the Warriors scored their last touchdown, Jim Reynolds made a tremendous catch after Dockery fumbled. However, the Knights won in spite of the Warriors' fine show.

The Fox Warriors opened their 1962 football season with a thrilling victory over Lutheran Central, September fifteenth. The touchdown was scored when Gerald Dockery caught a twenty-seven yard pass hurled by Ken Tucker.

History was in the making because it was the first time the Warriors had ever defeated the Crusaders.

## *"B" Warriors Show Great Promise.*

Drilling hard in practices after school, the "B" football team, coached by Mr. Iman and Mr. O'Connor, made the practice pay off by coming in second place for the season.

The "B" Warriors showed their ability in many games.

The Homecoming week-end opened up with the lighting of the traditional bonfire on Friday night, October 26. As the sparks flew high overhead, the cheerleaders led the enthusiastic assembly of students and alumni in spirited yells, to boost hopes of winning the game the next day.

Bright and early the next morning, class floats were brought from their hiding places to be judged. The Senior float, a colorful red locomotive, captured first place; followed by the sophomore float.

Then began the longest Homecoming parade in the history of our school. Local residents emerged from their homes to watch as honking cars, covered with gaily colored streamers and banners, passed by.

The mighty Wellston Trojans did battle with the Warriors that afternoon. Although hopes were high for a homecoming victory and the Trojans battled fiercely, and the game ended in a 13-13 tie.

That evening, students and alumni returned to attend the annual Homecoming Dance. Throughout the evening, suspense mounted as to who would be queen. Finally, amid a medieval royal court setting, last year's queen, Miss Judy Walsh, relinquished her crown to the new queen, Miss Barbara Schmidt.

## *"Come on Team, We're Backing You."*

"Fight, Warriors, Fight!" These words are very well known to most Fox High students, especially the Thunderbirds. This year's pep club was the largest ever. Their spirit and enthusiasm in backing the team had a tremendous effect on the results of the games.

This year the members purchased sweatshirts and proudly wore them to school and games.

The Thunderbirds learned many new cheers, introduced to them by the cheerleaders, and loudly voiced their enthusiasm at all of the games. FHS can be proud of the soaring school spirit that has been shown in the Thunderbirds.

Bringing their record to seventeen wins and one loss over a period of two years, our Warriorettes captured the first place trophy for the Championship of Jefferson County. And well deserved it was, since the team spent long hours practicing and learning new skills from their coaches, Mrs. Fields and Mr. Lingle.

Seniors Bernice Seabaugh and Terry Lingle were high scorers for the team, Bernice with a total of 75 points and Terry with 68.

We are very proud of our reigning champions and wish them continued success in the years to follow.

Handicapped by lack of experience, the "B" Warriorettes, with Mrs. Fields as their coach, won one game and barely lost two others. With a year behind them filled with practices and drills, big things will be expected of them in the future.

Miss Rita Dennert, 1962-63 Carnival Queen and Mr. Dennis Canova, her escort.

Carnival time for FHS in 1962 was a gay and fun-filled affair. Early in the evening suspense began to mount as to who would be the 1962-63 Carnival Queen. People mingled through the gym playing the coke tosses, shooting galleries, a hoopla game, bowling lanes, and fishing ponds. The cake walks were popular with everyone, especially those who proudly carried off a cake. The variety show and one-act plays performed before houses filled to capacity.

Highlighting the evening was the coronation of Miss Rita Dennert as the 1962-63 Carnival Queen. Miss Karen McClelland reigned as princess. Attending the Queen were Linda Warren, Junior; Pat DeLisle, Sophomore; and Linda Taylor, Freshman. Miss Debbie Lynch attended the Junior High princess.

## Freshmen Present Festive Christmas Dance

Twisting to the music of the Spiders, many students enjoyed the Christmas Dance.

In a setting of festive holiday decorations, the Freshman class presented the annual Christmas Dance to the school. The dancers, who twisted and rocked the hours away, took advantage of the music provided by the Spiders.

The Freshmen put a lot of hard work into the advertisements, decorations, refreshments and entertainment, and succeeded in making the 1962 Christmas Dance one to remember.

With mixed expressions, students sitting at tables watch the rocking dancers.

## *The Curtain Goes Up on the Drama Club*

The drama club is made up of students who have participated in one or more plays during the school year. This year they have performed on several occasions. At the school carnival they put on two one-act plays--"Oil Wells and Wedding Bells" dealt with the antics of a husband-hunting opera star in a little town; the other, "Father Lives with Seven Women" concerned the frustrations of a would-be writer who has six mischievous daughters. Both of these plays were hits and were enjoyed by the audiences.

Audio-Visual provides such duties as adjusting lights for a school dance and providing music for dancing in the morning.

Planned Progress is a contest sponsored by Union Electric Company. Each school in the area decides what improvements could be made in their community and plans and presents the material in a program in which they are judged. Winners are awarded a guided trip to a place of their choice in the St. Louis area.

This year the Fox High Planned Progress planned to bring industry into our community. Under the direction of Mr. Butler, in the spring the chorus traveled to Cape Girardeau to compete in a music contest.

New robes were also purchased this year, and were proudly worn by the chorus members.

### CLASS OF 1963

Four years ago, 111 freshmen entered Fox High. Spiritedly we entered in the whirl of high-school activities. Much of our energy was directed toward the various service, honor, and academic organizations, where our leadership qualities were developed. Student Council representatives added much to our school. We contributed to the writing of the Constitution in our junior year, and our junior and senior years were marked by the number of council leaders we supplied.

Drama, F.T.A., F.N.A., Spanish Club, Honor Society, and Safety Patrol found many long-term members and leaders from our class.

Sportsmanship was another area of outstanding ability. In our freshman, sophomore, and junior year, our boys distinguished themselves in football, track, and basketball. As juniors, our girls helped the volleyball team win the title of All-County Conference Champs in 1962, an honor which we repeated at the Crystal Tournament as Seniors in 1963. Our boys added their plays to the winning of the Consolation trophy in the Hillsboro Tournament our Senior year.

Scholastically our class ranks high. Several members are habitually on the Honor Roll and are the leaders of the Honor Society. Although we had no finalists for the National Merit Scholarships Test, many ranked very high.

We Seniors of 1963 found another outlet for our talents in extracurricular activities. Our "Locomotion" float won first place at the Homecoming parade this year. Our Junior-Senior Prom, "Shangri-La," was a beautiful dance, long to be remembered. The works of our artistic-minded classmates have been seen at school many times in our high-school career, and the enthusiastic support we gave made memorable occasions of many dances. Senior Thunderbirds added the spark to many sport events this year, and in years past. Our talents were on display as we participated in acting and behind-the-scene activities in four school plays.

Our class colors are blue and white; our flower, the orchid. The class selected "Less Than Our Best is Failure" as the class motto. We broke from tradition this year to become the first Senior Class with round rings. "Little Warrior," the Indian on the Senior Button, was seen throughout the school. As we look to graduation, our future unknown, all that we have done and learned these four years will help us as we travel on in the world.

In their second successful year the sophomores mark the midpoint of their high school career, with the happiest yet to come.

The sophomores sponsored the annual Basketball Coronation and published the student telephone directory.

Their social activity widened their concepts of living, and now the second half of high school beckons.

Entering high school with happy anticipation and awe, the freshmen were initiated into their confusing schedules. They met new faces and dug diligently into their first year's share of hard work.

They delighted everyone with their gala Christmas Dance.

By this and other experiences throughout the year, they became indoctrinated by participating in and appreciating the good life of Fox High School.

The Pathways of 1963.*

The Fox High auditorium was filled with tables of colorful exhibits on the night of March 1, 1963. These projects were the results of many hours of both physical and mental labors. Prize-winning displays showed all the signs of pounds of elbow grease and gallons of midnight oil. The senior high had eight first place winners, eleven second place winners and twenty-six third place winners. The best of these projects were taken to the Washington University Science Fair. Of these, several won awards, including three first place winners. The Fox High students, Janet Scott and Jens Brammer, won scholarships. Janet's project, "Organic Chemistry," and Jens' entry, "The Coil of Life," won two-year scholarships to the University of Missouri.

Student were grateful for the advice of Mr. Boston, Mr. Whitledge, Mr. Seabaugh, Mr. Jackson, Mr. Sutton, Mr. Bacon, Mr. Feldker, Mr. Strong, and Mr. O'Connor.

Everyone agreed that the Third Annual Fox School Science Fair was very enjoyable as well as educational.

## *"Our Hearts Were*

Much hard work and many of the cast's small tragedies almost overshadowed the comic adventures of Cornelia Otis Skinner and Emily Kimbrough as they set sail for Paris in the FHS gym.

The presentation of "Our Hearts were Young and Gay" was well received as audiences crowded to observe the girls' amusing fight for independence. Spectators followed Cornelia and Emily through the embarrassing confusion of safety pockets and tips, of parents, and the task of being

"Cosmopolitan." Added to this were measles, bedbugs, stowaways, French landladies, and thoroughly exhausted stewards. Applause indicated that again the annual play had been appreciated.

Behind the scenes, players had worked for five weeks, overcoming calamities, hoarseness, and stage fright. "Our Hearts Were Young and Gay" was the longest play presented in Fox history and the first to use a partial set change.

## *Student Council Election . . .*

A strange metamorphosis became evident in the halls of FHS on April 5. The classrooms were filled with flat-topped, brightly-painted "girls" and lont-haired, crazily-costumed "boys." Yes, Backwards Day had again invaded Fox High. Second glances were required by "Beetle Baily," "King Neptune," an Arabian sultan, and flappers from the roaring 20's. At the third hour assembly, the "boys" and "girls" marched around the gym to the rhythms beat out by the senior band. Awards were presented to the people with the funniest, most original, and most authentic costumes.

After weeks of hectic campaigning, in which the halls of FHS were plastered with propaganda posters, Student Council elections were held on May 14, 1963. Students cast their votes for the candidates of their choice during fourth and fifth hours. Results of the election were as follows: Jim Reynolds, president; Jim Brown, vice-president; Margie Rickles, secretary; Mike Joest, treasurer; and Jeddah Heinemann, reporter.

Hours of study, keen competition, and tense anticipation preceded the academic letter awards assembly. At last students have been recognized for brains as well as brawn. Academic letters were awarded for the first time this year to the outstanding student in each class. The academic letters are the same size as the athletic letters, and the name of the class is clearly sewn on the large "F." They were awarded to the student in each class who rated highest on a test which thoroughly covered each subject.

Hear ye, hear ye, citizens of ancient Rome! A special evening was held in your honor May 11, an emperor and empress were crowned, and all citizens of the 1963 junior-senior prom were heralded as each couple entered the garden.

Ron Freeman and Binnie Byrnes reigned in a setting of columns and potted ferns. Rainbow tinted gowns swayed in time to the music of the Crescendoes. Toward the end of the ball, a cascade of balloons floated down between couples and he who presented a paper from a balloon reading WINNER was presented a souvenir of the "Roman Holiday."

Seniors filing into the gym at commencement.

Long awaited by the seniors, commencement exercises were held in the Fox High auditorium on May 27, 1963.

Years of training, thousands of hamburgers, scores of games, miles of the "twist" and "stroll," were only memories as Valedictorian Jens Brammer and Terry Lingle, Salutatorian, delivered much-polished speeches.

The main address was given by Paul R. Green of the state Department of Education, who spoke on the ability of each to shape his future.

Under the direction of Mr. Butler, the concert choir sang "Behold Now, Praise the Lord" and "Let There Be Music." The concert band played "The Sound of Music" as well as the traditional "Pomp and Circumstance."

The diplomas were awarded by Charles Lilly, president of the Board of Education, and the senior class filed out to the Recessional.

## *Sun, Fun, Food, and Rides*

Sunburns, upset stomachs, and empty wallets were suffered by those who attended the FHS annual school picnic at Springdale Park, May 18. But ask anyone who was at this fun frolic, and he will say it was really worth it.

Many people were seen chattering their teeth in the swimming pool, while the less brave souls enjoyed croquet, badminton, and softball games.

No one really seemed to mind the bruises acquired from the scrambler, the stiff necks obtained from the tilt-a-whirl, and sore backs as the result of a ride on the roller coaster because smiles were seen on all faces.
